Board Member Comments:

Nancy Eisele shared a documentary was released yesterday, worth a watch by everyone. It suggests that chronic homelessness is on the rise so seeing any number in this CoC's would not be surprising. Even with all the housing efforts being made- the increase in a short fall in supportive services, addiction and MH services is still limited. Go to www.beyondhomeless.org to see documentary. It is 38 minutes in length.

Adjournment: 10:03 a.m.
