I. Meeting was called to order at 3:37 p.m. by Chair, Claudia Tuck.

II. Committee Reports:

Coordinated Entry- Keanna Johnson –

Working on VI-SPDAT, to sue as triage adding an additional piece to handle the racial equity component. By name 7 families, 280 single individuals

HMIS – Valeria Segui-Gonzalez –

Making onsite visits to agencies, so far have visited Family Promise, St. Francis House and Grace. Will continue to work with the others to verify all data is being input properly. Met with Wellsky, structure is causing the biggest issue, data quality will be improved after that is corrected.

LSA draft submitted on 29th, working with assigned TA on any issues. Final is due in January. Cost for Wellsky to correct issues should be about \$3,000, should be completed sometime in January.

Lived Experience- Maddye Fleming –

Great meeting. Our last meeting was a Thanksgiving luncheon.

PTI Count Committee:

Discussion on interview, how to structure the questions adaptable to our audience.

III. Lead Agency – Amber Miller –

RFP Subcommittee is reviewing and modifying prior RFP. Recommendations from Joh DeCarmine and Claudia Tuck are being added, once complete, it will be sent to the committee.

The committee had a conversation with UF Health/Shands Vista for potential considering the lead agency role.

Leigh Anne met with the RFP committee. She is introducing a Balance of State CoC but it is not yet fully realized. It could be mentioned in the RFP as an option.

Grant spenddown reports – additional funding for Staffing Grant, will meet with accounting. Challenge Plus fund grant from DCF we did not apply for they were allocated to us. They must be expended by the end of June 2024.

CARES Grant on target, spent 37%

ESG on target , spent 46.79%

TANF on target, spent 40%

Deliverables are being met by all

The Landlord Mitigation fund application is attached for review. Comments will be discussed at next meeting.

It was suggested to ask for funding again, this is a good fund to have.

Built For Zero Flex Fund- funds were applied. Funding to help veterans with barriers to meeting with case managers.

Action Plan – Updated, review for next meeting. Highlighted areas need to be confirmed as complete.

Meeting adjourned at 5:03
